REG. NO:70/Ajmer/1999-2000

A Leading Organisation Of Kshatriya Samaj

BROCHURE

COMING TOGETHER IS THE BEGINNING, THINKING TOGETHER IS THE PROGRESS
AND WORKING TOGETHER IS THE SUCCESS

HISTORY OF THE SANSTHAN

BACKGROUND

Kshatriya Community remained most respected and revered among all other communities. One always felt highly blessed & proud to belong to the **Community of Valour**. Our enviable rich history and heritage kept us always on a high pedestal. We always ensured to render selfless help & did good to members of the other communities without expecting anything in return. They always remained indebted and grateful to us.

What bothered us was that, our community some how could not maintain all that respect & glammer of the past. This situation is further deteriorating day by day. Self retrospection points towards **lack of Academic Excellence & General awareness, Limited Economical Sources of Income, Introvertness, Political Aloofness, Sticking to Old Irrelevant & Redundant Customs/Traditions and the most important is rearing False Ego and ill Placed Attitude.**

This was long playing in our mind. We did not know how to tackle such a herculian complicated task. Urgency was felt but how to start or make a beginning was the question.

INCEPTION

The News of **Km. Pallavi Khangarot who topped in Rajasthan Administrative Services** became source of inspiration. A few eminent personalities of the Kshatriya Samaj of Ajmer gathered at the **residence of Shri Bhawani Singh Mundru**. To start with they pondered over as to what should be done to attract & encourage young talent of our Samaj to emulate Km. Pallavi as a step towards our **Grand Vision**.

A formal meeting was convened on **15 Aug 1999** where twenty one of us participated. Everyone unanimously consented to the need of the hour and pledged full support. Resultantly formation of **SHRI KSHATRIYA PRATIBHA VIKAS EVAM SHODH SANSTHAN**, was conceived and had come into existence. To formulize the creation of new Sansthan, each member contributed Rs. 5100/- & became the Founder Members.

Later, Under the able guidance of **Dr. Lokesh Shekhawat** the rules and regulations were constituted and **Vidhan Niyamawali** (The Bye Laws) of the Sansthan were finalized. Approval of all the Founder Members was taken. There after **SHRI KSHATRIYA PRATIBHA VIKAS EVAM SHODH SANSTHAN** was registered with **Registration No. : 70/Ajmer/1999-2000**

JOURNEY FORWARD

With passage of time the Sansthan gained all round popularity in the Kshatriya Community & not only in Ajmer but whole Rajasthan. Consequently the membership increased tremendously and still increasing. **Late Rao Hameer Singh Ji Meja, Ex. Chairman Railway Recruitment Board**, had very kindly consented to accord patronage as **Chief Patron of the Sansthan**. He gave his dedicated services all along till he left for heavenly abode in 2014.

The Sansthan is on its never ending journey towards its **Grand Vision** of all round upliftment of the Kshatriya Community as a whole.

VISION

- **Be the torch bearers** in encouraging & facilitating Kshatriya Community to become **self reliant** by way of "Academic Excellence". Work towards 'Economic upliftment' through innovating ways & methods, thereby **strengthening the honour and esteem of our Kshatriya Samaj**.
- Strive for the **unity & strength** of Kshatriya Samaj as also **uphold the respect of our Past History, our Heritage & Cultural Values**.

MISSION

- Put in dedicated efforts on **hunting of young talents. Facilitate their growth** by providing the needed infrastructure including hostel, other modern educational facilities, as also provide expert career counselling, guidance/coaching, in order **to excel and succeed** in their endeavours.
- **Encourage and motivate** the young talents and entrepreneurs by giving them **apt recognition, honouring and rewarding** them appropriately.
- **Create enterprising spirit** and help them in growing economically sound so that they lead a respectable life.
- **Provide & create environment** through Functions, Celebrations that **strengthen the unity** of the Kshatriya Samaj. The youngsters should **feel proud to be a Kshatriya** & that they endeavour to **maintain the dignity & honour** by creating a **Unique Identity** of their own.
- **Enhance overall awareness** by Seminars, Presentations / Discussions on relevant subjects /current opportunities & challenges.
- Empower women folk to be equally effective in our efforts of uprising.

RESPECTED TRIBUTE TO OUR BELOVED CHIEF PATRON

RAO HAMEER SINGH MEJA

Late Rao Hameer Singh Ji of Meja Thikana, a High Court lawyer, Sarpanch of Meja for 25 years and Ex. Chairman of Railway Recruitment Board, Ajmer till 1993 was a die hard social worker at heart. It was an honour for us when he accepted to be the Chief Patron of our Sansthan "**SHRI KASHTRIYA PRATIBA VIKAS EVAM SHODH SANSTHAN, AJMER.**" By his timely, apt and matured guidance, the Sansthan progressed in the right direction and thus could attain a position of a Leading Kshatriya Samaj Social Organization.

He was instrumental in streamlining the management of "**PVC Major Shaitan Singh Rajput Hostel**" Kundan Nagar, Ajmer. His whole hearted contribution towards construction of the hostel is laudable. By his such benevolent actions the whole Kshatriya Community has benefited. This has earned a good reputation not only in Rajasthan but in the Kshatriya fraternity at the national level since it catered the important need of the Kshatriya Youths.

Unfortunately he left us for heavenly abode on 6th November 2014. May his soul rest in peace. Indeed the Kshatriya Community has lost a Bhamashah and a sincere dedicated person of our Samaj in him. He will always remain in our hearts.
